My name is Uriel Chechique,

I am looking for a FULLSTACK development position

I have B.Sc. in Software Engineering, 4 years of study

Today I work in a professional services position and I am looking for my next challenge

I am very motivated to move forward and study

I attached my CV. I would be glad to contact you

Phone: +972546924984

Email: urielch87@gmail.com

I also attach two relevant projects here:

Angular - https://github.com/uriel87/cinerama

node js - https://github.com/uriel87/cinerama-server

The project below is still under construction

React - https://github.com/uriel87/iavclient

Node js - https://github.com/uriel87/iavServer

Thanks,

Uriel Chechique
